Dear Vendor,

On behalf of the MTEEA, you and your company are invited to participate in the MTEEA's 40th Annual Fall Conference Vendor Show on Friday, September 28th, 2018. This year's show promises to be a great opportunity for everyone involved.

The 2018 Minnesota Technology and Engineering Education Association's Fall Conference is Minnesota's premiere Technology Education Conference. This conference has been the showcase for many of the nation's finest industrial and technology related companies. MTEEA has worked hard to make this conference a huge success.

The 2018 conference will again be the showcase for innovative technology/industrial education related companies and will also showcase some new up & coming companies as well.

September is coming up fast so let me hit the highlights for this year's show.

- **Low price** for booth space! (\$250 for 8 feet w\ one 6 foot table, table cloth, and chair)
- **A lunch buffet**, will be provide for each vendor. The vendor show will close from 12-1 for attendees and vendors to have lunch together along with a short award program.
- Vendors may have **the same booth space** as they had before. (just request it on the reservation form)
- Back by Popular Demand... we'll be having several **"Featured Vendor"** events going on during the show that will spotlight various vendors. (see the RSVP form for more info)
- All forms must be returned by **July 31st**. Booth space preference is on a first come, first serve basis. Featured vendor requests are very limited and are also first come, first serve. So get your requests in early.

If you're interested in participating in the 40th anniversary MTEEA conference as a vendor, please fill out the enclosed RSVP form and return it to me in the enclosed pre-addressed envelope. All forms should be returned **no later than July 31st**.

Sincerely,

A handwritten signature in black ink that reads 'Brad DeKanick'.
