

Hello. I gave your child a letter today about entering their \_\_\_\_\_ in the Minnesota State Fair. A copy is below. Thanks. Sincerely \_\_\_\_\_.

---

Student name,

You really did a nice job on the \_\_\_\_\_ you made in \_\_\_\_\_. It has the level of quality, which could be entered at the Minnesota State Fair.

I hope you will be able to participate by bringing your \_\_\_\_\_ back to me by \_\_\_\_\_. You will find me in room \_\_\_\_\_.

I will register your project and bring it to the State Fair on August \_\_\_\_\_. It will be on display in the Education Building at the State Fair from August \_\_\_\_\_ until September \_\_\_\_\_.

I will pick it up after State Fair closing and return it to school. You will be able to pick it up sometime after that.

If you do not want me to register and bring your project to and from the fair, you can do it yourself. Go to <https://www.mnstatefair.org/competitions/k-12-competition/> for information.

I hope you will be able to participate.

It was great teaching you this year. Have a great summer.

Sincerely,
